

CURRICULUM VITE

I-PERSONAL DATA

Name : **Kakil Ibrahim Rasul**

II-QUALIFICATIONS:

1. June 18, 1978 M.B.Ch.B., College of Medicine, University of Mosul
2. March, 1989 C.A.B.M., Certificate of Arab Board for Medical Specialization, Bagdad, Iraq
3. June 1998 MRCP (UK), Royal College of Physicians and Surgeon of Glasgow (U.K)
4. July 2004 FRCP Edin (UK) Royal College of Physician, Edinburgh
5. Oct. 2004 ESMO Certificate (European Society for Medical Oncology)
And recertified on 2009

III-CURRENT POST s AND MEMBERSHIP

- Associate prof. in clinical medicine at Weil Cornell Medical College in Qatar , which partner of Weil Cornell Medical College , New York , USA
- Senior consultant in Haem/ Oncology Al-Amal hospital , Hamad Medical Corporation Doha, Qatar
- Faculty member of the fellowship program for medical oncology at Hamad Medical Corporation , Qatar
- Chairman of the Clinical Competence Committee for medical oncology fellowship program at Hamad Medical Corporation
- Coordinator the medical education NCCCR , Hamad Medical Corporation
- Leading the Advisory group Board for gastrointestinal cancers , Ministry of Health, Qatar
- Leading the Hepatobiliary pancreatic Multidisciplinary team Hamad Medical Corporation
- Core Member for the Gastrointestinal Multidisciplinary team , Hamad Medical Corporation
- Active member of ESMO , ASCO
- Core member of both colorectal hepatobiliary MENA-NCCN guidelines panels for development of the guideline modifications,

V- PRESENTATION IN CONFERENCES

1. Colorectal cancer in Qatar first internal cancer conference 2003 Doha, Qatar
2. Evidence based medicine, 3rd Qatar international Medical conference 8-13 November 2005 Doha, Qatar
3. Lecture note on Evidence based medicine, 1st medical conference, International Iraqi medical association (IIMA) April 2006 Al-Sharijah. UAE
4. NEW CHEMOTHERAPY PROTOCOL (P-CAN) FOR TREATMENT OF AGGRESSIVE NON-HODGKIN'S LYMPHOM) poster presentation at the International experimental haematology conference, 30-Jul-2 August Glasgow UK
5. Qatar experience in treating Chronic Myeloid Leukemia, Advisory board meeting November 2006 Dubai UAE.
6. TAC PRTOCOL, chemotherapy in breast cancer, 2nd international medical oncology conference 15-17 April 2007 Salalah, Sultanate Oman
7. Update on Qatar experience with TAC PROTOCOL STUDY, Al-Amal hospital first cancer conference , 6-8 Feb 2009 Doha/ Qatar
8. Management of advanced Gastro Intestinal Stromal Tumor GIST, Qatar health conference, 12-16 Dec 2009 Doha, Qatar
9. Anti-Her2 monoclonal antibodies in the treatment of breast cancer, International conference for antibodies, 24-26 March 2010, Beijing, China
10. Anti –EGFR in metastatic colorectal cancer International conference for antibodies, 25-27 March 2010, Beijing, China
11. Systemic therapy of colorectal cancer , IIMA medical conference , April 10-11 April 2011, Al-Sharija, UAE
12. Gastro-Intestinal Stromal Tumors(GIST) in Qatar Poster presentation , World GI Conference , Barcelona , Spain 24-27 June 2011
13. Prevalence of EGFR mutation in Qatar population , poster presentation , Asian – Pacific lung cancer conference , Nov 2012 , Fukukua , Japan
14. Colorectal cancer screening in MENA region, presentation in GI-GALL, Dubai 15-16 oct 2013
15. Adjuvant chemotherapy for early colorectal cancer, colorectal surgical symposium 3-5 October , Doha, Qatar
16. Pancreatic NET , presentation RED(Rare Emerging Tumor) SUMMIT, Dubai, 25-26 Oct 2013
17. Optimal treatment of GIST, presentation and case study , RED SUMMIT, Dubai, 25-26 Oct 2013
18. Presentation at American University of Beirut, Lebanon on the cancer care in Qatar with epideological data on cancer in Qatar, March 2015,
- 19- Best of ASCO in Erbil October 2016, the following presentation biology of

- small cell lung cancer, anti-tumor activity and safety of crizotinib in patient with advanced MET exon 14 altered in Non-Small Cell Lung Cancer , CCTG – MR-extended adjuvant letrozole treatment for 5 years
- 20- Key note lecture on (Immunotherapy in hepatocellular carcinoma) at the Doha hepatocellular carcinoma international conference, March 2016 Doha Qatar,
 - 21- Management of metastatic pancreatic ca key note lecture at the 7th International oncology conference and 4th Omani cancer association, GCC Federation conference Sep 2015, Muscat, Oman,
 - 22- Presentation (Effect of PD1 blockade in two cases of advanced gastric cancer with different mismatch repair status) at the 4th Asian Pacific Gastrointestinal cancer Summit, Singapore 29-30 April 2017,
 - 23- immunotherapy in triple negative breast ca, AR inhibitor in prostate ca , Best of ASCO , Erbil , Iraq , 27-28 September 2017
 - 23- Key- note lecture , HCC status in the Gulf region , Asia- Pacific Oncologist 2018 conference , Tokyo , japan , 5-6 September 2018
